Admissions Policy

1. Practice

St. John Fisher Catholic Comprehensive School is a Voluntary Aided School in the Trusteeship of the Archdiocese of Southwark. The School is conducted by the Governing Board as part of the Catholic Church, in accordance with its Trust Deed and Instrument of Government and always seeks to be a witness to Jesus Christ. The School exists primarily to serve the Catholic community. However, the Governing Board welcomes applications from parents of children of other denominations and faiths, subject to the availability of places, who support the religious ethos of the School. They also welcome applications from the parents of children of no faith, subject to the availability of places, who support the religious ethos of the School.

As a Church School, the Governors make the decision to offer places for admission into the School. The School wishes to give extra consideration to children attending Catholic Primary schools in Medway. These schools are

- English Martyrs', Strood

- St Benedict's, Lordswood
- St Mary's, Gillingham
- St Michael's, Chatham

- St William of Perth, Rochester.

Having consulted with the Local Authority (LA) and other Admission Authorities, the Governors intend to admit 180 pupils in September 2025 at age 11, without reference to ability or aptitude. Admissions will be decided without reference to aptitude or ability and on the overriding criteria that the "Catholic Character" of the school will always be preserved in accordance with the Trust Deed and the Instrument of Government.

Notes

Note a - “Looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is

- a) in the care of a local authority, or
- b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989).

Children in public care (Looked after Children) are children who are (a) in the care of a local authority.

Looked after children or looked after children who have been adopted or who have become the subject of a residence or guardianship order and children who appear (to the admissions authority) to have been in state care outside of England and cease to be state care outside of England as a result of being adopted. A looked after child is a child who is (a) in the care of a Local Authority or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions and children who are looked after but ceased to be so because they were adopted (or become subject to a residence order or special guardianship order). Looked after children are those in the care of a public authority and are in public care. Applications made under this criterion must be accompanied by details of circumstance and professionally supported evidence (e.g. from an appropriate social worker).

Note b - Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. For the Certificate of Practice please follow this link: [www.https://stjohnfisher.school/admissions/certificate](https://stjohnfisher.school/admissions/certificate)

Note c - A “brother or sister” means children who live as brother and sister including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. It would not include other relatives e.g., cousins

Note d - Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit. The distance calculated is the shortest available walking route known to the geographical information home/distance software used by Medway Student Services (Admissions). This graphical information software may not know all footpaths that are in existence and certain new roads may not be known. Where a footpath or new road is not known to the software an alternative route will be used. Where a child’s home is situated on a new road the distance calculation will begin from the nearest available known road plotted in the software. New developments may be subject to this. In certain cases it may not be possible to calculate a distance where the entire route is deemed as a safe walking route. In these circumstances the distance calculated is used purely to prioritise an application for admission. There is no expectation that the walk should be taken.

Appeals

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 94 of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel.

Waiting Lists

Parents of children who have not been offered a place at the school may ask for their child's name to be placed on the waiting list. The waiting list, which will be maintained in accordance with Medway Council Admissions Scheme, will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the local authority's fair access protocol, they will take precedence over those children already on the list.

Fair Access Protocol

The school participates in the local authority's Fair Access Protocol to allocate places to vulnerable and other children in accordance with the School Admission Code 2012. Admitting pupils under the protocol may require the school to admit above the planned admission number for the relevant year group.

6. Sixth Form

1. Planned admission to the Sixth Form is 185. All pupils will be expected to support fully the distinctive Catholic Ethos of the sixth form.
2. For Advanced and Advanced Vocational Certificate of Education courses, the minimum entry requirement is five level 4 grades at GCSE. Some courses will require a student to meet entry requirements in that subject as detailed in the sixth form prospectus.
3. The Governing Board is the Admissions Authority. The Head of Sixth Form will advise but the final discretion is with the governors.
4. All courses are subject to availability and timetabling constraints.
